THE LOOP WE RUN

- | | |
|--------------|------------------------------|
| 01 audit | measure where you stand |
| 02 strategy | pick the prompts that pay |
| 03 technical | make the site readable to AI |
| 04 content | ship what engines can quote |
| 05 authority | earn the sources they trust |
| 06 measure | re-run the panel every 14d |
| 07 compound | hold the slot and grow it |

MEASURED RESULTS

0 → 20/20

Manimama (named, with consent): buyer prompts naming the firm • #1 in ChatGPT • #2 in Europe on Perplexity

6/6 → 0

online casino (under NDA): scam verdicts cleared in six weeks, then category recommendations

0 → 20/20

web3 dev agency: prompts naming it • 4 of 4 engines inside the first month

"The team clearly knows what they're doing and can turn complex data into simple, practical actions." - CMO, Manimama

client reviews: **Clutch 5.0 verified** **Trustpilot 5★** • full cases: 009.agency/cases/

THE COMPLIMENTARY MANUAL AUDIT • ~48 HOURS

- AI-visibility scorecard: what six engines answer about you, logged with dates.
- GEO health score with the exact blockers.
- **Competitor analysis:** who holds your money prompts - and whose slot you're taking.
- **A clear action plan:** dated 90-day roadmap. Yours to keep either way.
